FEATURING  
WARREN  
BUFFETT

IN THIS ISSUE:  
"WHAT'S SO FUNNY ABOUT  
P.C.S AND UNDERSTANDING?"

DO YOU KNOW ANYTHING ABOUT CRICKET, JONES?

NOPE, NOT A THING. BUT HOW HARD CAN IT BE? HEY, AREN'T WE GONNA START THE MEETING? THE GAME IS THIS AFTERNOON!

I AM POSTPONING THE COMMENCEMENT OF THE MEETING UNTIL ELENA RUSHES IN.

LATE, AS USUAL.

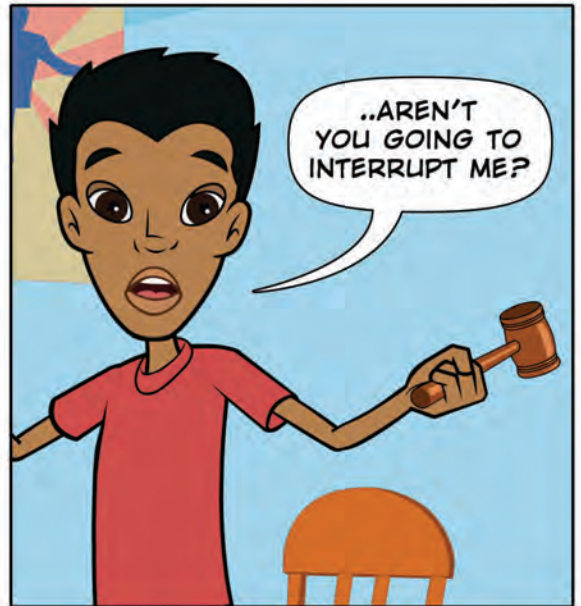

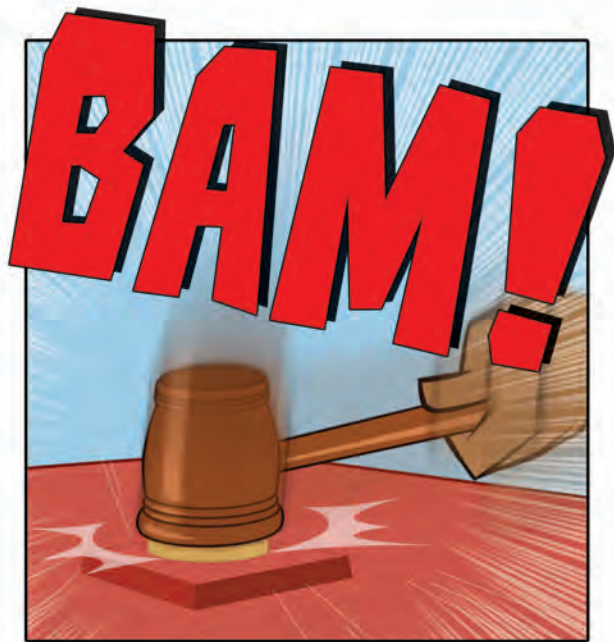

AT LEAST WE CAN ALWAYS COUNT ON HER TO BE EAGER AND UPBEAT!

CREEEEAAK...

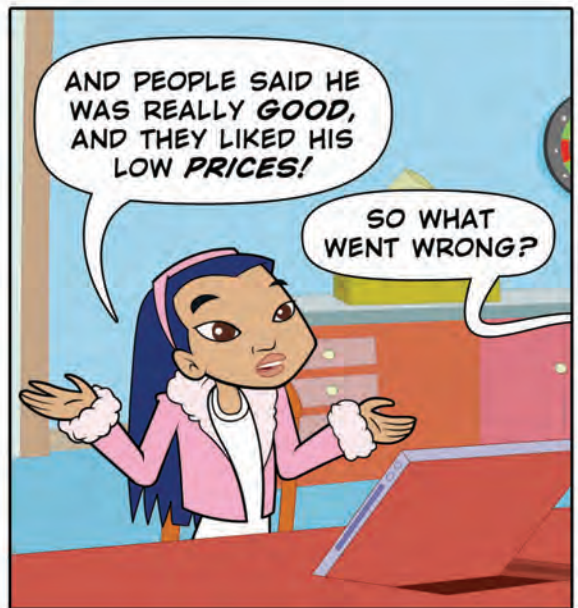

THAT SOUNDS LIKE A GOOD BUSINESS!

I BET **EVERYONE** NEEDS TO GET THEIR COMPUTER FIXED AT **ONE** TIME OR ANOTHER!

AND PEOPLE SAID HE WAS REALLY GOOD, AND THEY LIKED HIS LOW PRICES!

SO WHAT WENT WRONG?

WELL... HE COULDN'T GET SOME SORT OF A **DOOHICKEY** TO CONNECT HIS **THINGAMAJIGS** TO THE **WHATCHAMACALLITS**. I THINK.

SURE!

HMMM. ELENA, DO YOU KNOW ANYTHING ABOUT FIXING COMPUTERS?

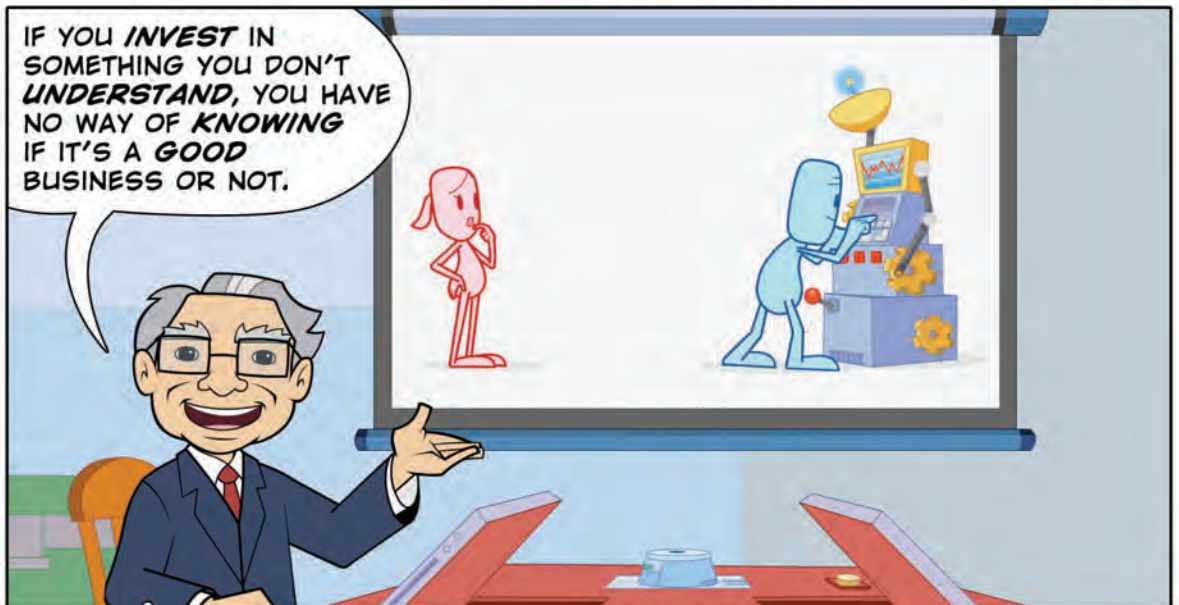

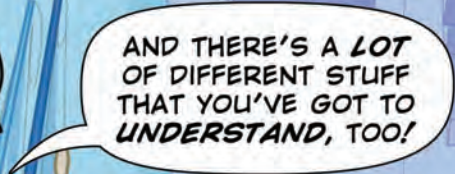

I MEAN A LITTLE...

UM, BY WHICH I MEAN...

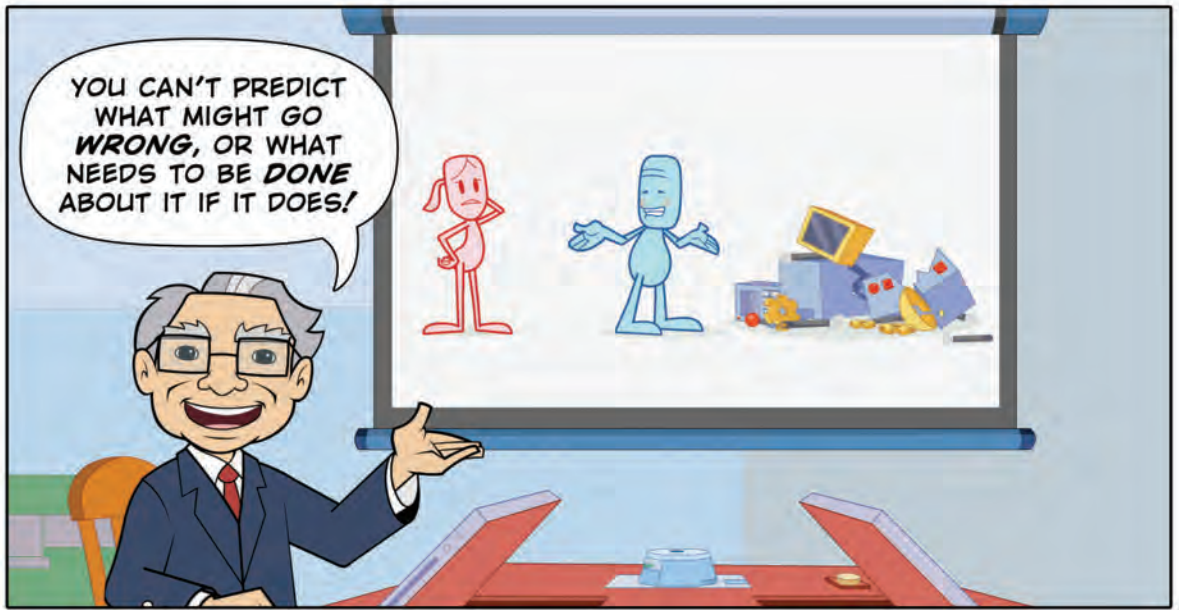

UH, WELL...

...NOTHING.

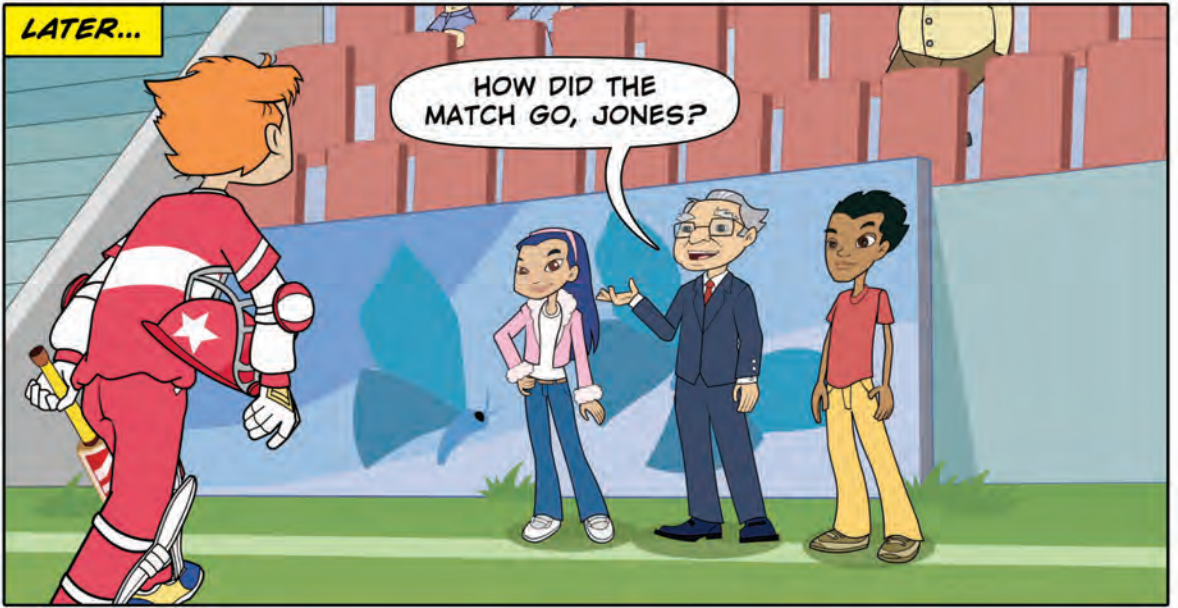

LATER...

HOW DID THE MATCH GO, JONES?

WE LOST.

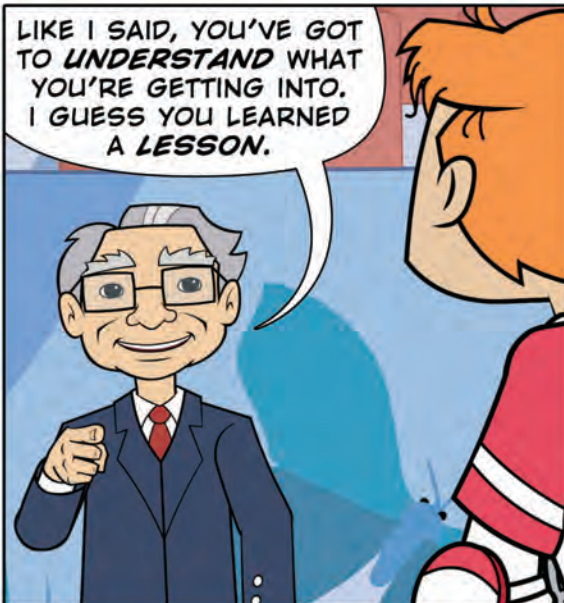

BY A LOT.

I THINK WE MIGHT HAVE DONE BETTER IF ANYONE ON THE TEAM KNEW THE RULES FOR CRICKET.

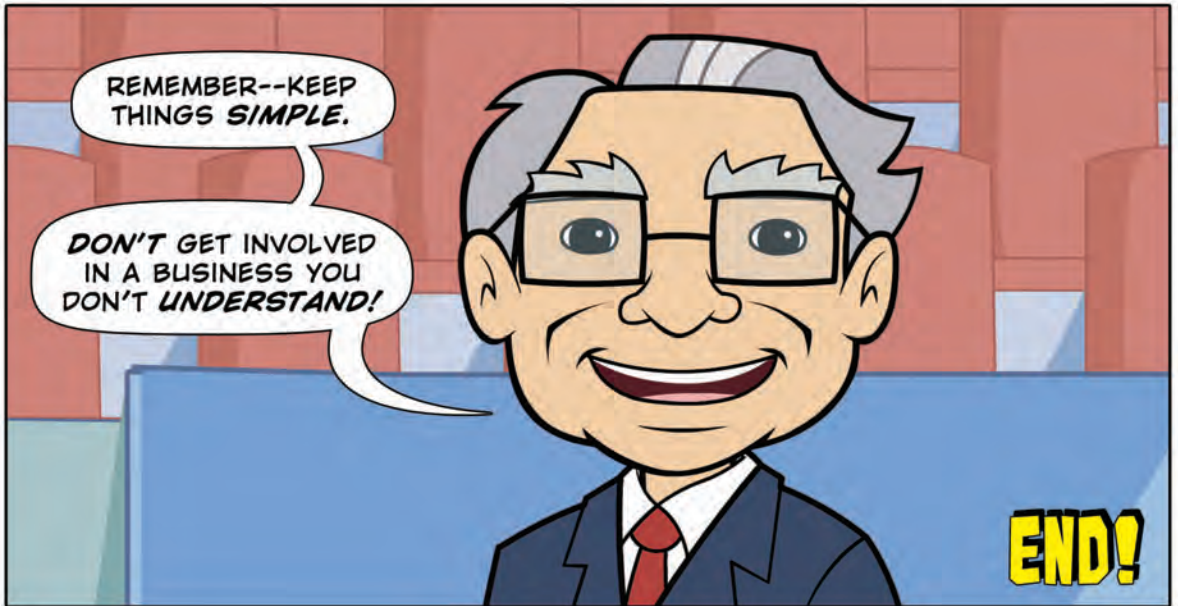

LIKE I SAID, YOU'VE GOT TO UNDERSTAND WHAT YOU'RE GETTING INTO. I GUESS YOU LEARNED A LESSON.

SO DID I. I INVESTED THIS WEEK'S ALLOWANCE IN A BUSINESS I KNOW VERY WELL!

# WORDS FROM WARREN

*Hey kids, Warren Buffett here!*

*Managers of great businesses have an ability to truly understand their industry, the competitive landscape and what the customer wants. Successful businesses can also adapt to change. Understanding is important for success in life. You should learn to try to understand another person's point of view, and be prepared to change your mind if their point of view makes good sense. So remember: Learn to understand something before you do it, and to think things through before you act.*
