FEATURING  
WARREN  
BUFFETT

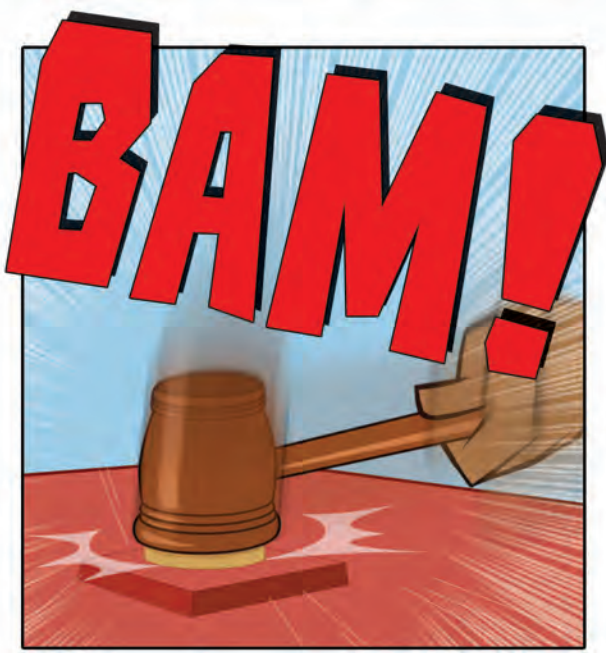

IN THIS ISSUE:  
"IT TAKES TWO!"

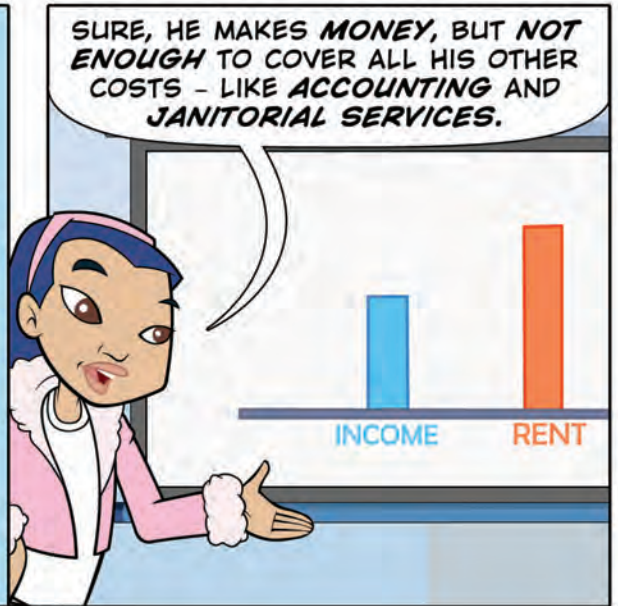

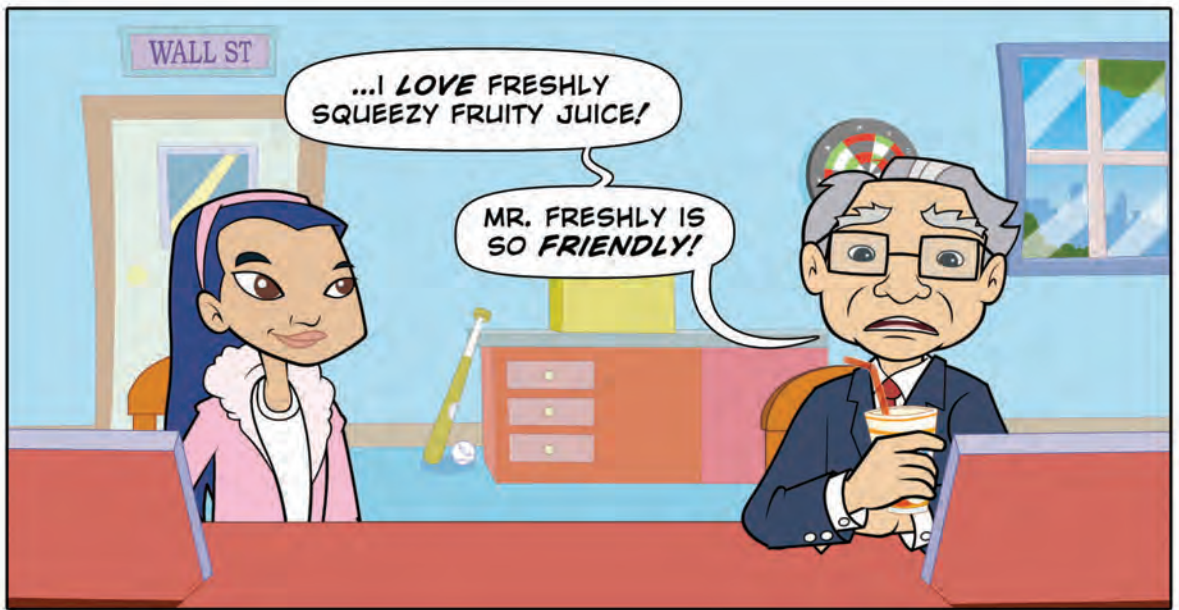

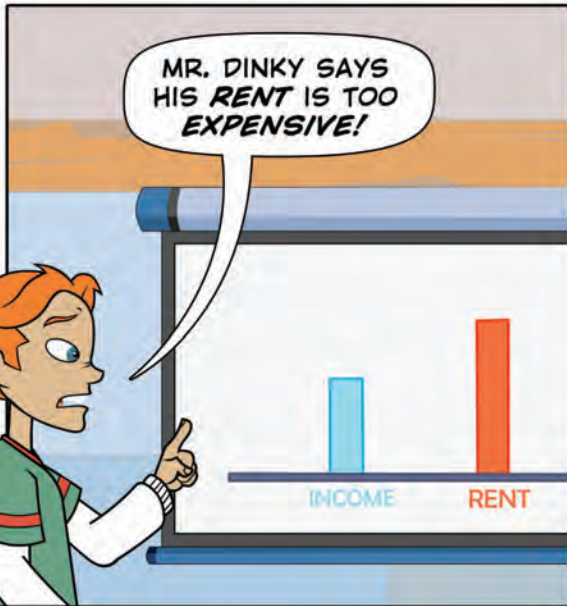

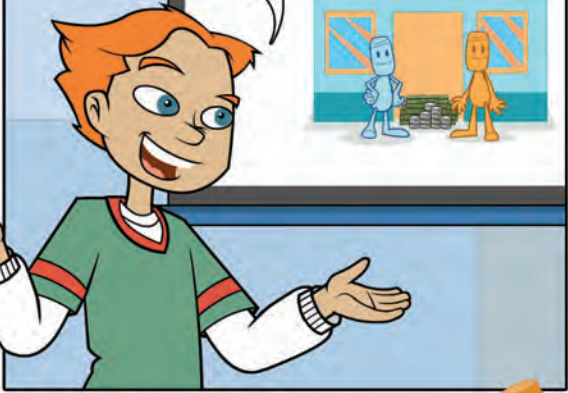

ACTUALLY, KIDS, IT'S ALL ABOUT PARTNERS! PARTNERSHIPS HAVE GREAT ADVANTAGES! MR. DIPPY AND MR. FRESHLY COULD PAY RENT ON ONE BUILDING INSTEAD OF TWO, AND EACH COULD CONCENTRATE ON HIS OWN SPECIALTY!

A COMBINATION OF ADDITIONAL CORRELATING OUTFLOW WOULD ALSO BE BENEFICIAL!

AND SHARING THEIR OTHER EXPENSES WOULD HELP, TOO!

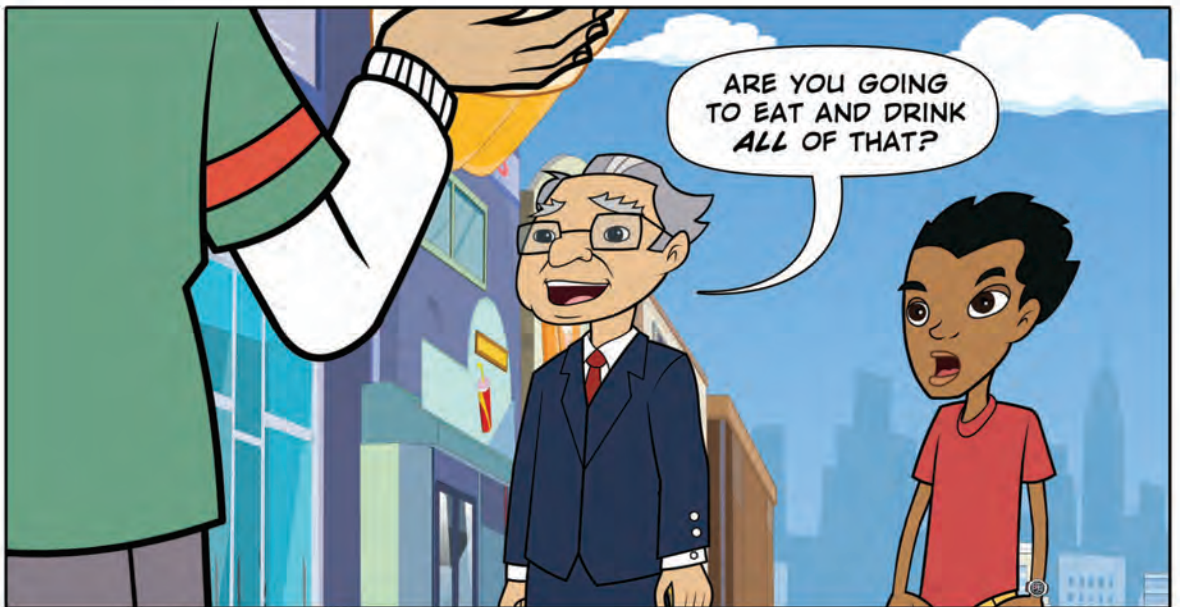

...YEAH, THAT, TOO.

# WORDS FROM WARREN

*Hey kids, Warren Buffett here!*

*A business requires many people to work together in order to be successful. Building good relationships and having first-rate partners are important. I have been fortunate to have a great partner in Charlie. Our company, Berkshire Hathaway, has many partnerships with other businesses. Our partnership has also helped me become more successful than if I did things alone. In life, you want to be able to build strong relationships and partnerships to be successful - especially in your family. They are your best partners of all. So, remember, "A great partner makes any job easier."*
